1. AFTER EXTENSIVE CONSULTATION WITH TICHBORN, STATION UNABLE DEVELOP ACCEPTABLE PROPOSAL FOR HIS COVER IN LA PAZ. HAVE EXAMINED AND DISCARDED THREE MAIN POSSIBILITIES:

- A. LAWYER WITH MINING CLIENTS.
- B. WRITER WITH FOUNDATION GRANT.
- C. PRODUCER OF POSSIBLE MOVIE.

2. IN REGARD TO (IA) TICHBORN BELIEVES HE CERTAIN TO RUN INTO [REDACTED] WHO LEGITIMATELY INTERESTED IN BOLIVIAN ANTIMONY MINING, HAS CONSULTED IN PAST WITH TICHBORN, AND WOULD RECOGNIZE FISHY NATURE HIS PRESENCE LA PAZ. TICHBORN BELIEVES [REDACTED] WOULD REACT BADLY, SPREAD WORD THEIR MUTUAL CIRCLE.

3. PROPOSAL IS SMELLS TOO STRONGLY OF OPERATION CAMELOT, AND WOULD OPEN TICHBORN TO ATTACK EVEN FROM THOSE TO WHOM THIS COVER MIGHT APPEAR PLAUSIBLE.

4. PROPOSAL IC WOULD IMMEDIATELY DRAW ATTENTION FROM ALFARO MUTIS, CLOSE ACQUAINTANCE OF TICHBORN, AND LATIN AMERICAN REP OF.

MUTIS JOB IS TO TRAVEL AREA, KEEP CLOSE TRACK OF ANY AND ALL DEVELOPMENTS IN CINEMA FIELD. TO HIM THIS COVER WOULD APPEAR LUDICROUS, AS IT WOULD TO TICHBORN-MUTIS CIRCLE OF ACQUAINTANCES IN MEXICO.

5. ALL ABOVE IDEAS ARE, OF COURSE, COVER FOR STATUS ONLY. COVER FOR ACTION WITH PROMINENT POLITICAL PERSONALITY MUCH MORE DIFFICULT PROBLEM. AND STATION AGREES THAT CLANDESTINITY PROBABLY ONLY RECOURSE. WHILE MEXI NOT CLOSELY FAMILIAR OPS CLIMATE LA PAZ, SPECULATE THAT TICHBORN WOULD QUICKLY BECOME OBJECT CURIOSITY IN SMALL CAPITAL. HE DEFINITELY NOT LITTLE GRAY MAN TYPE, AND MEXI CONSIDERS THAT JOB OF CONCEALING SIGNIFICANT BEHIND SCENES ROLE IN FAST MOVING POLITICAL SITUATION COULD UNDELY TAX HIS TRADECRAFT.

5. TICHBORN HAS SUBMITTED MEMO MAKING ABOVE POINTS PLUS SOME SPECULATION REGARDING USE OF FALSE IDENTITY, WHICH STATION CONSIDERS UNREALISTIC. WILL POUCH ADDRES.

1. Due to operational requirements a meeting was not held with Edward G. TICHBORN by an Admin representative, however, the items noted below were briefly discussed with him by telephone on 26 October.

2. TICHBORN was advised information would be forwarded to the Station and, upon his return to the Station, he should ask his contact about the items--both as a reminder and for fuller explanation. As will be noted, there is a time element concerned with c. below.

a. Reference A (Transmittal of hospitalization claim). TICHBORN asked about the claim and was advised the dispatch was received 5 October and the separate cover was received by the Insurance Branch on 25 October. The insurance section has agreed to expedite the claim and it is expected Finance will advise the Station of the amount of reimbursement to TICHBORN within the next two-three weeks.

b. Reference B (Concerned signing the contract amendment forwarded by Book Dispatch 5178). The provisions of the BC regarding signing the amendment still pertain. The subject was very briefly but, by no means thoroughly, explained. In this connection, it had been planned to have him read the two attached pamphlets "Your Social Security" and "Social Security Amendments--1965". If cover or operational considerations do not preclude, the pamphlets may be given to TICHBORN to either read and return to the Station or to retain.

MEMORANDUM FOR: Chief, WH Division

SUBJECT: Self-Employment Credit for Social Security Coverage  
Edward G. TICHENBORN

1. The responsibility for filing Schedules SE (Form 1040) "U. S. Report of Self-Employment Income" with the Social Security Administration for credit to the taxpayer's social security account has been delegated to this office for those individuals who have filed covert returns.

2. In order to discharge this responsibility and to insure that each contract agent receives full social security credit for any self employment tax paid through the Covert Unit, it is necessary for this office to prepare the Schedule SE (Form 1040) for each taxpayer for secure transmission to the Social Security Administration. In order to complete Form SE for Subject Contract Agent, it is necessary that the following information (designated by an "X") be furnished:

☒ True Name (As it appears on Subject's Social Security Card)

☐ Social Security Number

☒ Statewide address currently applicable or the address used when the taxpayer last resided in the U. S.

☒ Type of Business activity to be reflected in reporting Social Security credits from self-employment, such as management consultant, translator, writer, etc.

3. Since a three year statute of limitations applies to the filing of self-employment schedules for social security coverage, it is requested that the above information be furnished as soon as possible. Any questions regarding this subject should be directed to CP/CO/Covert Tax Branch.

<p>1. The Station, after reference incident, felt more strongly than ever that it really did not have a complete assessment of TICHBORN in the sense of what is his real ideological viewpoint. This is not to say that the Station was overly concerned that TICHBORN was flirting with the opposition. As a result of the events described below, the Station feels it has a reasonably clear idea on these points now.</p> <p>2. On 15 May, being a Saturday and two days prior to TICHBORN entering a Mexican hospital for a long-delayed and somewhat apprehensive (on his part) hernia operation, TICHBORN was in an unusually loquacious mood for a luncheon engagement with the Station case officer. He showed little opposition to three good Manhattans and, for the first time, the Station case officer felt he was seeing clearly TICHBORN "the person" and not TICHBORN "the lawyer". In other words, there was no protective veneer involved in the rather long luncheon discussion which followed. The issue which brought forth the entire discussion was reaction of the Mexican intellectual to the Dominican Republic situation. In the process, TICHBORN brought out very sincerely, passionately, and clearly the following points:</p> <p>a. When he was a trial lawyer in California for five years, his real inclinations were what he termed "leftist". He harbored a number of "reservations" about the way that things were or were not happening in the U.S. under the U.S. system. These were private thoughts and reservations and did not translate</p> <p style="text-align: center;">-continued-</p>

themselves into action, but nonetheless points of real concern to him. Then, he came to Mexico for a period to get "that" novel and writing off his chest: during that period, he saw the Mexican system and some of the Latin American Systems. At that juncture, he became very much aware of the fact that it was the "system" that counted, in spite of whatever imperfections existed, and that there "was, and is, nothing that can anywhere nearly approach the U.S. system". As he said, "Sure, there are a lot of things wrong, because of decisions made by human-beings who are fallible and have their own interests to look after, but there is so much good and so many compensations on the plus side of the system and the way it works, you can afford to recognize the wrongs and work them out within the system". He said that this was so obvious from abroad that he just wondered why he ever had worried about incidents and didn't realize that it was the "system" that mattered.

b. He told about some of the discussions he had had with leftist Mexican intellectuals on these points such as, "Is the Soviet system capable of producing and absorbing such pictures as 'Dr. Strangelove' or having a John Steinbeck write a 'Grapes of Wrath' and run off with all prizes in the writing and motion picture field? Can you even approximate that in Mexico? Witness the furore over 'The Children of Sanchez' here while the 'Grapes of Wrath' was every bit as harsh with respect to similar circumstances in the U.S. and won everything." On and on. In so many words, our system thrives on "self-criticism", and there are things to criticize, but what other system in this world is not only permissive of that, but thrives on it. And so on. He has no doubts about any governmental/social/political/economic system in any combination being able to even approach it.

3. The foregoing is a very brief synopsis of a rambling and long philosophic discussion on these points in which TICHBORN concluded his statement and, even, tirade (his Latin heritage had gotten the better of him at that point) with the statement that "My philosophy on this point, and my present sentiments, have been forged in the fire of thinking as a leftist critic and having come to see and understand a great deal; and they can't tell me a damn thing about what is the best system nor on the basis of their present circumstances in their own countries have they any right or basis for criticizing the U.S. and its actions. Nothing is perfect, and I can't defend it as being perfect, but for every imperfection they try to show me in the U.S. and what it has or has not done, I can show them hundreds in their country and any other one they try to hold up as a model."

4. In so many words, at least the Station case officer at the present time is satisfied in his own mind that TICHBORN was speaking sincerely during this discussion and there is no question in the Station's mind about where TICHBORN stands ideologically even though he may be considered "left of center."

5. Since this issue seems to hover constantly in the background with TICHBORN insofar as KUSARK is concerned, the Station felt it would be a good idea to register the foregoing incident and appraisal with Headquarters.

<p>1. The delay in answering reference should not be construed as lack of desire or intent, on the part of TICHORN or the Chief of Station, that the case be submitted to the Board of Review for Shortages and Losses for consideration, but rather as an administrative delay of getting the facts, people, papers, etc., together and in the place for submission.</p> <p>2. Attached is a statement prepared by TICHORN regarding the loss of funds and containing the pertinent circumstances of the case. The sub-paragraph numberings are in accordance with, and relating to, the requirements of paragraph 3, a of PR 34-250. The information requested in sub-paragraphs numbered 8 through 12 is answered jointly by Stewart R. PATAXER and Jerome H. BALSIS who were assigned to investigate the matter by the reporting official.</p> <p>3. PATAXER and BALSIS talked with TICHORN, at different times, regarding the shortage of funds and the happenings as related to them were substantially the same as outlined in TICHORN's statement. Since there is no other way to verify the facts and TICHORN has proven himself to be truthful and forthright in his dealings with the Station his statement regarding the loss of funds is accepted as fact.</p> <p>4. Since TICHORN is authorized travel expense "on actual, reasonable, and necessary expense basis" it does not seem sensible for him to have reported the loss of funds in other than the way he says actually happened.</p> <p style="text-align: right;">(CONTINUED)</p>

SUBJECT	Contract Amendment Edward G. TICHBORN				
ACTION REQUIRED - REFERENCES					
Reference: DIR 67851					
Action Required: FYI					
1. Forwarded herewith is the referenced amendment Edward G. TICHBORN's contract which provides for a one year extension effective 19 November 1964 and a compensation increase from \$9,000 to \$12,000.					
2. During Subject's recent TDY in Washington it was made clear to him that this substantial pay raise and extension of his contract was on the basis that TICHBORN continue to devote 85 to 90% of his time to KUBARK activity. In view of the fact that Subject is currently handling only one intellectual project for the Station, please explain to him that in the event that his work load reverts to the 50 to 65% level, he cannot expect to continue to receive the present amount of compensation. During Subject's talks at Headquarters, it appeared that TICHBORN understands this most clearly. As a contract agent, he is remunerated on the basis of services rendered. In return for this arrangement, the government makes no claim on income he might receive from his private business activities. Obviously it is our hope that coupled with the occasional full-time assignments in other WH countries levied on TICHBORN, that the Station will be able to continue to utilize Subject's services at the high level of activity which will justify his current compensation.

Dear Mr. Thomas:

Due to increased demands upon my time from other clients, I find it necessary to relinquish my duties as legal counsel for the IILR here in Mexico, and I do so with great reluctance. One of my heretofore-lesser clients has recently expanded his activities in certain real estate developments in Guadalajara and Puerto Vallarta, thereby necessitating <sup>my</sup> frequent absence from Mexico City. Then, too, I had underestimated the amount of time and effort required to satisfactorily attend the various legal and administrative matters confronting CEDS. Should you so desire, I could recommend other legal counsel; but I am inclined to feel that the Centro's principal problems would be of an administrative nature rather than a legal one.

As for my legal fees to date, I am submitting a bill for \$650.00 U.S. Cy. This represents a total of 65 hours at the rate of \$10.00 per hour. My regular fees amount to \$20.00 per hour, but, in keeping with my own political affinity for labor causes, I have reduced them to the lesser figure.

May I thank you again for your confidence and good will in having chosen me as legal counsel for your organization's activities in Mexico. I shall be happy to give you a personal report of my observations on my next trip to New York.

Sincerely yours,

Henry P. Lopez

() Specific - Edward G. TICHBORN Cover and Working Papers.

ACTION REQUIRED - REFERENCES

REFERENCE: HNMA-24456 dated 8 Oct 64.

As Headquarters is aware, Edward G. TICHBORN is in Mexico on a tourist visa and with a number of "associations" (i.e., law firm in PBPRIME, TV and movie contacts in Mexico) which have sufficed to provide satisfactory superficial cover for his presence and activities here up to this time. However, he has been here long enough now and made enough trips to other Latin American countries where a continuation of this tourist status and present cover arrangements should be changed for something more substantial. All of this became apparent when he began to try to obtain his working papers. TICHBORN's profession, of course, is that of a lawyer, but he cannot practice this profession in Mexico under Mexican law. Therefore, to find a peg for working paper approval, something else had to be found.

SUBJECT General - LICONGA

Specific - Edward G. TICHBORN Contract

201-253203

ACTION REQUIRED - REFERENCES

REFERENCE: HMMA-24352, dated 22 September 1964.

1. As probably can be discerned from previous communications on this subject, the Station has never been too certain about the original understandings with Subject on his relationship with KUBARK. At least some understandings have been supplementary to the formal contract (such as, his availability for extended trips to Latin American areas in election periods). This is no complaint on the part of the Station, but merely a prelude to a matter which the Station brought up with TICHBORN in connection with his intellectual magazine and QRMINE activities.

2. It has been the Station's inference, from talking to TICHBORN as well as communications on other aspects of his relationship with KUBARK not covered in his contract, that he is not to be considered a full-time contract agent. In other words, he has outside activities in the legal and other fields here which it was understood would provide additional income to him at the time he entered into his original relationship with KUBARK. As can be discerned from his biographic data, he has operated at a level and enjoyed an income outlook that would not be satisfied by the present contractual arrangements on salary. It has become obvious to the Station, however, that if he is to handle, properly, present requirements being imposed on him by the Station a very high percentage of his available time is going to be involved.

3. Taking all the foregoing into consideration and to avoid complications with his present projects or TICHBORN, the Station asked him what understanding he had on the proportion of his time to be devoted to KUBARK activities. He said that his present contract was predicated on approximately 60 to 66-2/3% of his time being utilized by KUBARK. His present estimate is that he is devoting 85 to 90% of his time to KUBARK activities; and, if he is to do the kind of job that is desired on the two intellectual projects recently acquired, he will sustain that percentage. Of course, he continues to be available for appropriate assignments (such as FUASPEN) in other countries from time to time; but, it has to be recognized that when he is absent from Mexico, this represents 100% of his time.

4. The Station agrees with his analysis on current commitments against his time on behalf of KUBARK. Therefore, it was indicated to TICHBORN that he should be prepared to take up this matter with Headquarters at the time he makes his late October trip to PBPRIME in connection with the new intellectual magazine (see reference) and that the Station would request Headquarters to be prepared to discuss the matter at that time. It is the Station's understanding that his present contract extension expires 19 November 1964.

5. The Station would like to emphasize that this matter was brought up at its initiative in order to try (a) to assure that demands being placed on TICHBORN recently could be reasonably expected to be fulfilled and (b) to get a complete understanding on all aspects of TICHBORN's contractual status (written and unwritten) so that neither the Station nor TICHBORN get committed to these continuing activities and suddenly find themselves in contention about the time/salary involved. It should also be emphasized that TICHBORN has not complained about recent requirements, but has devoted whatever time required to handle them and do the job expected.

NO NITE ACTION

1. FOLLOWING IS SUMMARY OPINION OF TICHBORN, FROM OFFICERS WHO HAVE DEALT WITH HIM: EXCELLENT CHARACTER AND COMPLETE LOYALTY TO ODYOKE. ALTHOUGH AT STATION REQUEST TICHBORN HAS DEALT IN ☐ WITH PERSONS OF FAR LEFT, THERE IS ABSOLUTELY NO INDICATION THAT HIS POLITICAL INCLINATIONS ARE ANYTHING BUT COMPLETELY PRO-PBPRIME. THERE IS NO QUESTION ABOUT HIS ABILITY AT ANY CHORE INTERESTING ENOUGH TO STIMULATE HIM. HE IS EXTREMELY LUCID, AND HIS MIND CAN ONLY BE DESCRIBED AS BRILLIANT. HE HAS AN EVEN, PLACID TEMPERAMENT. HIS JUDGEMENT APPEARS TO BE SOUND (ALTHOUGH IN MEXI HIS ASSIGNMENTS HAVE USUALLY BEEN OF THE TYPE IN WHICH HE FOLLOWED STATION GUIDANCE). <sup>E</sup>HE IS NOT GOOD AT DETAIL, SUCH AS REPORTING AND ACCOUNTING. IN ESSENCE, HE IS A SHARP OPERATOR, WHO COULD PROBABLY DO WELL IN POSITION OF IMPORTANCE.

2. STATION NOT IN POSITION TO COMMENT ON HIS LEGAL ABILITY. HIS LOCAL ACTIVITY FALLS IN THE PUBLIC RELATIONS CATEGORY (AS A PBPRIME CITIZEN HE NOT ALLOWED PRACTICE MEXI).

ACTION REQUIRED - REFERENCES

ACT: Cable comments on Contract renewal and amendment

1. While TICHBORN was at Headquarters in April, he said he needed \$4,000 per year more than the \$8,000 plus expenses he receives under his present contract. He cited the high cost of life insurance he must take out for all his air flights, since he does not receive KUBARK rights of survivorship as a Contract Agent. He also mentioned the rising cost of living in Mexico, and the increased amount of time he is spending on behalf of KUBARK, at the expense of his cover. He said that his financial situation will soon force him to spend more time on his law practice, limiting his availability to KUBARK.

2. Headquarters thinks highly of TICHBORN, and we regard him as an excellent long time asset who might possibly be converted to career agent in the future, when his legal practice is less lucrative, or he chooses to work almost full time for KUBARK.

3. Meanwhile, Headquarters believes that the fairest arrangement for KUBARK and for TICHBORN, would be to keep him in contract status, raising his salary. This would ensure KUBARK's continued utilization of his valuable services, would assure the maintenance of a strong cover, and at the same time would give TICHBORN the incentive to work hard at his cover and would permit him to realize the return from his cover efforts. If TICHBORN were converted to Career Agent status now, there would be almost, if not total offset of his cover income.

4. Headquarters suggests that when TICHBORN's contract is renewed as of 19 May 1963 for two years, it be amended to increase his salary by \$1,000 per year, and that additional compensation of \$3,500 per year be included for housing. The whole amount would be taxable. A clause can also be added to the contract authorizing TICHBORN to apply for the special life and hospitalization insurance given Contract Agents.

5. Please discuss the proposal in paragraph 4 and/or any Station ideas with TICHBORN, but avoid making any commitments. Since the present contract expires on 19 May, it is requested that the Station cable its views on TICHBORN's future use and proper pay.

Tichborns original contract provided for travel on an actual expense basis. This was when he was working on a daily or job rate basis.

This contract was terminated and a new contract was written in May 1961. He was given ~~an~~ \$8,000 per year, and the reimbursement for operational travel section reads "This may include per diem in lieu of subsistence---."

None of Tichborn's travel claims have been processed since the new contract has been effective. All travel claims submitted by him starting in June 1961 have been submitted on an actual expense basis.

Finance takes the view that the "This may include per diem---" as restricting Tichborn to per diem only plus of course operational expenses. Processing Tichborns old accounts on this basis would require him to refund several hundred dollars.

An amendment to the contract would take care of these old accounts as submitted.

Options:

1. Get refund from Tichborn
2. Amend contract to cover actual expenses to present date.
3. Amend contract to cover actual expenses past and future.

What are your wishes?

Currie

Avoid any action that would require refund - this works out 2 or 3 with WH/3+ = select most equitable and operationally, justifiable arrangement. PC 201-253203

## REFERENCES

HSSA-1806

1. Referenced dispatch was discussed with the Ambassador on 6 March. He said that in talking with Oliver G. GALBOND and others in Headquarters in early 1962 as well as with Chief, DTFOR support, he had expressed great appreciation for the assistance rendered by Edward G. TICHEBORN. He said that he still felt that a similar survey, made a year or so after the first one, would be most helpful in assessing significant changes in the outlook of the various segments of Salvadoran society. Also discussed was the possible utility of an early April 1962 survey on the issues and personalities as they might develop during the forthcoming elections, presently scheduled for 29 April 1962. However, the Ambassador concluded that he was, of course, aware that there are other priority needs for TICHEBORN's services.

2. While the Station would welcome another visit by subject, it does not appear that the need for a general survey is so pressing as it was a year ago. It is doubted that basic conditions have changed greatly, and the changes which have taken place have been fairly well covered in ODACID reporting. With regard to the pre-election estimate, mentioned above, it should be noted that there are no other parties to date in the field except the government party, the Partido Conciliacion Nacional (PCN), and only the PCN has thus far put forward candidates for President and Vice President. Unless postponed, the closing date for announcements is 12 March. In other words, at the moment it appears that the net result of the overwhelming victory of the PCN in the elections of last December has made the forthcoming elections a mere formality.

3. The Station will appreciate early advice of a second visit by TICHEBORN, if his schedule permits.
